

How to Sponsor an Outdoor Adventure for a Disabled Youth or U.S. Veteran

The Way Outfitters provides three-day Outdoor Adventures for deserving disabled/terminally ill Youth and American Veterans. Each guest and appropriate family members are provided meals, lodging, in some cases transpiration, plus a hunting or fishing adventure or other activity of interest to the guest. One of The Way Outfitters Volunteers meets each guest at the event site and is the host during the adventure. The average cost per guest is \$3,600.

Everyone is a volunteer with The Way Outfitters. There are no paid staff. The overhead costs of travel, office expense, insurance, promotion, printing, phone, website plus meals and lodging during the adventure trips, are all covered from the average cost per guest donations.

Adventure Sponsors that donate the total amount for a guest adventure are invited to attend part or the entire three-day event. We have to ask sponsors to cover their own travel, lodging and meals. In many cases a reduced rate is negotiated with the activity provider/outfitter and the discounted lodging and meal rate would also apply to the sponsor and others they may bring with them.
